

Bike Fix-It Stations in Washington County

What is a Bike Fix-It Station?

Bike Fix It Stations include all the tools necessary to perform basic bike repairs and maintenance, from changing a flat to adjusting brakes and derailleurs. Tools found on Bike Fix-It Stations include wrenches, screwdrivers, tire levers, an air pump, and a stand to hold a bicycle. You can hang the bike from the hanger arms allowing the pedals and wheels to spin freely while making any needed adjustments.

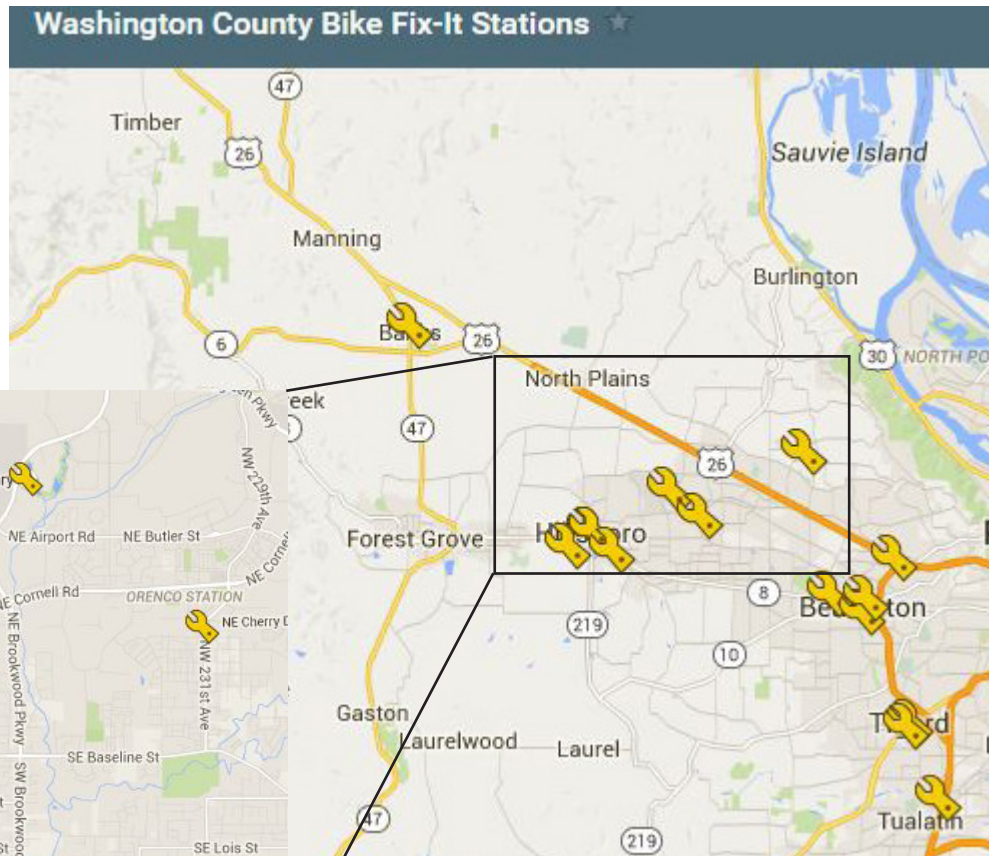

Bike Fix-It Station located at Washington County Service Center East
