INTEL WESTSIDE RIDES PRIVACY NOTICE

Westside Transportation Alliance (WTA), in partnership with WashCo Bikes, administers the Westside Rides E-Bike Try-A-Bike Program. Participants will pay a fee and receive an e-bike for a period of one month. To coordinate the program WTA will collect limited personal information as described below. All information will only be used for coordination of Westside Rides.

WTA will collect personal information including name and basic contact information (work email, work and/or personal phone number). Electronic information will be saved on WTA's secure cloud storage. Only WTA staff will have access to information, and the use of information will be limited to communications regarding the program. Credit card payments will be handled via secure transactions done through Stripe and/or Square online payment processing systems. WTA receives summary reports with payment confirmation and does not receive or save any credit card information. WTA and WashCo Bikes will indemnify Intel (including its employees and subcontractors) from any alleged improper disclosure or data breach of the information collected herein, or any other breach by WTA or WashCo Bikes of this privacy notice.
